POSTMASTER: Send address changes to Green River Community College Class Schedule, 12401 SE 320th St., Auburn, WA 98092-3622.

Green River Community College has made reasonable efforts to provide in this schedule information that is accurate at the time of publication. However, the college reserves the right to make appropriate changes in procedures, policies, calendars, requirements, programs, courses, and fees. When feasible, changes will be announced prior to their effective dates, but the college assumes no responsibility for giving any particular notice of any such changes. Nothing contained herein shall be construed to create any offer to contract or any contractual rights.

Green River Community College does not discriminate against anyone based on race, ethnicity, creed, color, national origin, sex, marital status, sexual orientation, age, religion, or the presence of any sensory, mental or physical disability, or status as a disabled person or veteran of war, in accordance with the Americans With Disabilities Act of 1990, Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973. **Students needing an alternative medium for communicating must contact Disability Support Services in Educational Planning, ext. 2631.**

Limitation of Liability: The college's total liability for claims arising from a contractual relationship with the student in any way related to classes or programs shall be limited to the tuition and expenses paid by the student to the college for those classes or programs. In no event shall the college be liable for any special, indirect, incidental, or consequential damages, including but not limited to, loss of earnings or profits.

State support of higher education

The state of Washington contributes to the cost of students' education through support of basic instructional cost and state-supported financial aid. The table below indicates state support by tuition category for students attending Green River Community College for academic year 2008-2009.

	Resident undergraduate	Nonresident undergraduate
Instructional cost per FTE* student	\$7,041	\$7,041
Operating fee	\$2,189	\$7,007
Net state support per FTE* student	\$4,852	NA

In addition to state support of the basic instructional cost, students also receive state supported financial aid, including that provided from the local institutional financial aid fund (3.5 percent). These amounts are represented by the table below:

State financial aid per student FTE*	\$1,801
Institutional financial aid fund per student FTE*	\$74
Total financial aid per student FTE*	\$1,875

*Full-time equivalent.

Registration information

It's easy to enroll!

New students

1. Complete an application for admission.

Admission to the college is open to anyone who has a high school diploma, GED, or is 18 years old by the first day of the quarter they are planning to attend. Please note, if you are 16 or 17, you will need to submit a high school release form from the school district you live in, along with your application for admission (unless you have a GED or high school diploma).

2. Complete the COMPASS.*

*If you have a degree from a community college or a baccalaureate college, you may not need to do this. Bring an unofficial transcript with you to your advising appointment.

3. Schedule a New Student Advising session by calling (253) 833-9111, ext. 2641, or by signing up online at www.greenriver.edu/advising.

Returning students/not currently enrolled

Request that Enrollment Services update your record. Call ext. 2500 or re-apply online.

Currently enrolled day and evening students—Registration access times

Registration notifications will not be mailed. Two weeks prior to the start of registration, visit the Green River Web site www.greenriver.edu/online to access your registration time.

Continuing Education

Please see page 37 for non-credit Continuing Education classes.

GED testing

GED testing takes place in the Assessment and Testing Center at the Welcome Center (ZWC) every Monday from 8 a.m. until 8 p.m. on a walk-in basis. The fee for the GED Test is \$75, payable at the Cashier's Office in the Lindbloom Student Center. You must have government-issued picture ID to test. If you are 16, 17 or 18 years old, you must also bring a signed Request for Approval to Test for the GED from your school district office. For more information, please call the Assessment Center at ext. 2650.

Online Services (www.greenriver.edu/online)

In addition to registration, our site offers a variety of options. A menu will walk you through the steps. The options available are:

- | | |
|----------------------------|------------------------------|
| ■ Class information | ■ Register |
| ■ Degree audit | ■ Student address change |
| ■ Financial aid inquiry | ■ Student PIN change |
| ■ Hope Scholarship | ■ Student schedule |
| ■ Registration Access Time | ■ Unofficial transcript |
| ■ Schedule Planner | ■ Pay by credit card/e-check |

Visit the **Schedule Planner** prior to registering for classes.

Schedule Planner

This feature provides you with up-to-the-minute class information and enables you to:

- Plan your schedule for the upcoming quarter
- Find out if your class selections are open or closed
- Check each class for required prerequisites

To access the Schedule Planner feature

1. Go to www.greenriver.edu/online
2. Select **Schedule Planner** under **Class Planning**

Please note: If you are unable to enroll for a class that shows an open seat, there is a waitlist attached.

Web Registration

Who can use Web Registration?

All students who

1. have completed the admissions process;
2. have been assigned a Student ID number and PIN;
3. have been assigned a registration access time; and
4. are registering or withdrawing from credit classes.

Web Registration cannot be used when registering for:

- Continuing Education classes
- High School Completion
- GED/ABE/ESOL
- Audit of credit classes
- Tuition waivers

Web Registration hours

5 a.m. to midnight daily

Note: *Web registration function is not available after the third day of the quarter to add a class. Web registration is open for dropping classes through the eighth week of the quarter. See Registration Calendar.*

Registration access time

You may use Web Registration anytime on or after your scheduled access time, but not before.

To register, select Login to Register from current students, online services. Follow the instructions as they appear on the screen to register for the classes of your choice. **You will be asked to enter the course item number.** This is located to the far left of the class time listed in your class schedule. (*See page 9 for example.*)

If you are registering for a class that requires permission, instructions will automatically appear on the screen requiring you to enter an entry code.

Entry codes

These are five-digit numbers issued to you by the instructor of the class or by an advisor. They are used as authorization for classes requiring permission or prerequisite satisfaction. Once you have used an entry code, the computer will not accept it again.

Credit maximum

Academic students may register for up to 20 credits per quarter. Professional/technical students may register for up to 25 credits per quarter.

To print class schedule

1. Go to www.greenriver.edu/online
2. Select **View My Schedule** under **Class Planning**

Waitlist for full classes—automated system

How do you get into a class that is full?

Entry codes **will not** allow you to by-pass the waitlist option and register yourself into a full class. The waitlist process works as follows:

- Web or in-person registration will provide the option to waitlist into a full class. All prerequisites must be met to be added to a waitlist.
- You can add your name to three separate waitlists—an example would be math, English and chemistry.
- Review your schedule every few days via the Web to see if you have been added to the class.
- Enrollment Services will notify you by mail when you have been moved off the waitlist and into the class. Your updated schedule will be included with the notification.
- If you are dropped for lack of payment, you will also be dropped from any waitlisted classes.
- You are responsible for making sure your schedule is accurate by dropping any unwanted classes. Failure to do so will result in a 0.0 grade being posted to your transcript and possible additional tuition and fees.
- To remove your name from a waitlist:
 1. Go to www.greenriver.edu/online
 2. Select **Waitlist Inquiry & Update** under **Class Planning**

You may also stop by Enrollment Services to request that your name be removed.
- If you have not received notification by the first day of the quarter that your waitlist status has changed, you need to attend the first class session and identify yourself to the instructor.
- Attending the first class session will not guarantee admittance into the class.

Students are responsible for the accuracy of their class schedule. If you are registered for a class that you no longer plan to attend, see Enrollment Services for procedures to withdraw from the class.

To pay tuition online

1. Go to www.greenriver.edu/online
2. Under **Payment Options**, select **Pay by Credit Card**
3. Enter SID and PIN (PIN not required to make payment.)
4. Select quarter
5. Enter account information
6. Enter credit card information
7. Once you select “Charge my account,” you are instructed to wait for a confirmation number, and then print the number for your records. **Please note that if the confirmation number does not come up, the charge did not go through.**

For questions on payment options or problems, please call the Cashier’s Office at (253) 833-9111, ext. 2050.

Address correction

Both your e-mail and mailing address are vital to your college records since you will often receive material from the college through the mail. If your address has changed during the quarter, be sure to report your new address to the Enrollment Services Office:

1. Go to www.greenriver.edu/online
2. Select **Student Address** under **Student Information**

Disability Support Services—ext. 2631

Green River Community College is committed to assisting students with disabilities to obtain equal access to programs and services at the college. Disability Support Services is located in LC-271A in the Lindbloom Student Center. Students requesting accommodations need to contact DSS and are required to provide current documentation of disability. For information regarding documentation needs and about Disability Support Services in general, please contact the Disability Support Services Coordinator during business hours. Information pertaining to 504 compliance is available from the director of Disability Support Services.

Financial aid—ext. 2440

The Financial Aid Office is located in LC-231 in Lindbloom Student Center. Financial aid is available in the form of grants, loans, work-study jobs and scholarships. Contact the Financial Aid Office for information and applications. **Please allow at least three months for application processing.**

Full-time student status

The definition of “full-time student” varies for certain agencies, such as the Immigration and Naturalization Service, Veterans Administration, College Financial Aid, Social Security Administration and insurance companies. **In most cases, to be considered full time, you must be registered for 12 or more credits.**

Parking—ext. 3350

Parking is one of the many services provided through the facilities fee. Students are required to register cars at the Cashier’s Office to help ensure the safety and security of vehicles. Questions pertaining to parking should be directed to the Safety Office at ext. 3350.

Student rights and responsibilities

Students are held responsible for knowing and obeying published rules and regulations of the college as detailed in the student handbook. Students are responsible for knowing the academic requirements and for scheduling necessary courses in their proper sequence.

This information is available in the student handbook and includes Green River’s policy on alcohol and other drugs, the costs of attending the college, our enrollment policies, graduation rates, information about our testing center, and much more. We are confident you will find them useful. Please call ext. 2400 or stop by the Information Desk in Student Life to obtain a student handbook.

Residency requirements—ext. 2513

The state of Washington has established specific criteria for students to qualify as residents for tuition paying purposes (references: RCW 28B.15 and WAC 250.18).

Registration information

A resident student is one who is a U.S. citizen, or has permanent or temporary resident status, or holds "Refugee-Parolee" or "Conditional Entrant" status with the United States Immigration and Naturalization Service or is otherwise permanently residing in the United States under color of law; **and** be either:

1. **Financially independent student:**
 - a. Has established a bona fide domicile in the state of Washington primarily for purposes other than educational for the period of one year immediately prior to the first day of the quarter for which they have registered at any institution; **and**
 - b. Be financially independent.

OR

2. **Financially dependent student:**
Is a dependent student, with one or both parents or legal guardians having maintained a bona fide domicile in the state of Washington for at least one year immediately prior to the first day of the quarter for which they have registered at any institution.

To apply for residency reclassification, students submit a residency questionnaire and provide the required documentation to Enrollment Services. Students may apply for residency reclassification through the 30th calendar day of the quarter. See residency questionnaire for complete details. Residency questionnaires are available online, in Enrollment Services, or by calling ext. 2500.

Note these additional points:

- Residence is not an equivalent of domicile only—**must** also provide documentation supporting student's financial independent or dependent status.
- The domicile of a minor is normally that of the parent or legally appointed guardian.
- International students attending GRCC who have been issued an I-20 form are classified as non-resident regardless of length of residency in Washington state.

Nonresident waiver

The Washington State Board for Community and Technical Colleges has authorized the colleges to waive a portion of the nonresident tuition rate for United States citizens and INS Permanent residents who have not met the above criteria for in-state residency. GRCC honors this automatic waiver at the time student makes application to the college. The student pays the non-Washington resident tuition rate (see chart on page 4).

HB 1079 (Undocumented Person) Waiver

Effective July 1, 2003, Washington state law was changed to make certain students who are not permanent residents or citizens of the United States eligible to pay resident tuition rates. To qualify students must complete an affidavit declaring they have resided in Washington state for three years immediately prior to receiving a high school diploma and completed the full senior year at a Washington high school or completed the equivalent of a high school diploma.

Veterans Services—ext. 2466

Veterans Administration education assistance benefits are computed as follows: 12 or more credits equals full time; 9-11 credits equals three-quarter time; 6-8 credits equals half time; 5 or fewer credits equals tuition fees only. Certification for educational benefits will be forwarded to the VA after proof of registration has been received by the GRCC Veterans' Services Office or when the recipient requests Advance Pay, which must be received by the VA no later than 45 days prior to the beginning date of the quarter.

Reduced tuition is available for veterans subject to established guidelines. For information, visit Enrollment Services in Lindbloom Student Center, second floor. A certified copy of your DD Form 214 or a letter from your commanding officer will be required.

Withdrawal and Refund Policy

Credit classes

It is your responsibility to withdraw from the college or from individual courses. You must withdraw online or submit a withdrawal/change of schedule form to Enrollment Services to guarantee the accuracy of your permanent records and to begin refund procedures when applicable. You may receive a refund under the following conditions (*Summer quarter differs – review quarterly calendar for refund dates*):

Percentage of refund

1. **100 percent refund—Through the first official day of the quarter** or for identified short-term classes through the first class session only. Short-term classes are indicated by dates published with the class listing.
2. **100 percent refund of tuition and fees—**When courses or programs are canceled.
3. **80 percent refund of tuition less fees—**When official withdrawal occurs during the second through fifth days of the quarter. (*Summer quarter – second through third days of the quarter*)
4. **40 percent refund of tuition less fees—**When official withdrawal occurs during the sixth day of the quarter through the 20th calendar day of the quarter. (*Summer quarter – 4th through 13th calendar day of the quarter*)
5. **Short-term classes—100 percent refund of tuition and fees—**when official withdrawal occurs prior to or on the first day of class only. Short-term classes are indicated by dates published with the class listing.
6. **No refunds—After the 20th calendar day** of the quarter. (*Summer quarter – no refunds after the 13th calendar day of the quarter*)
7. Refunds of less than \$10 will not be made.
8. Appeals to the refund policy must be submitted to the Enrollment Services Office in written form with **supporting documents attached**. Refund appeals must be received by the Enrollment Services Office within one year of the quarter in question.
9. A separate refund policy applies to students receiving financial aid. Tuition refunds must be returned to the financial aid account and not to the student.

Host families needed

Green River's international students need caring host families. Homes are needed for students where they can have their own rooms and share dinner with the family. They will also share cultures and friendships and contribute to family expenses. Length of stay varies from one month to two years. Homes are needed for male and female college students from various countries.

If you are interested in hosting an international student, please call Green River's Host Family Information Line, ext. 2129 and make a reservation for our next orientation.

eLearning

www.greenriver.edu/elearning

Welcome to Green River and thank you for choosing eLearning. The information on this page will make your enrollment and coursework easier. The class schedule and the Web site www.greenriver.edu/elearning display current eLearning offerings. For further information, call (253) 288-3354 or e-mail elearning@greenriver.edu.

Log on information

GRCC uses Angel Learning for most Internet and FLEX courses. A few classes are offered through Washington Online. Instructions on how to determine your login ID and password (for Angel and Washington Online) and the directions to all class sites can be found on the eLearning site. Once on the eLearning site, choose the current quarter's schedule from the links on the left side of the page. The schedule will list all of our eLearning offerings along with the instructor's name, e-mail address and directions to the class site. If your class uses Angel Learning there is a box on the login page called How to use Angel.

When you register for an eLearning course, the section number on your class schedule will be DE, TEL or WOL and the time and day will say ARR. If your course is a FLEX course which combines online and face-to-face instruction, the section number will be DE and the class meeting times will be listed. The time and place of the first meeting for FLEX classes is listed on the eLearning site. WAOL classes have a different starting date which you can find on the eLearning site.

What technology will you need?

- Windows, XP, Vista or Mac OS X or higher with at least 500 MB of RAM. All Angel Learning classes and some others are not compatible with earlier versions of Windows. Some classes are not Mac compatible. Contact your instructor for compatibility information prior to enrollment.
- 56k modem: DSL or cable modem is preferable
- CD-ROM drive
- Internet service provider and your Green River e-mail account

- Internet Explorer 7 or FireFox 2 or 3 that has the latest version of JavaScript enabled and all pop-up blockers disabled. Links to the latest versions of browsers are on the eLearning site. (Angel will not work on other versions of these browsers.)

Mac users: Angel will only work on FireFox (www.mozilla.com). It will not work on Safari.

To request disability accommodation, contact Green River's Disability Support Services office at least two weeks prior to the start of the class. You can reach DSS at (253) 833-9111, ext. 2631 or by e-mail at dss@greenriver.edu.

If you are taking a computer course at home, it is your responsibility to have a computer with the adaptive technology that you need.

Important notes

Many of our online instructors require proctored exams. You can take the exam at our testing center or arrangements can be made for the exam to be proctored in many testing sites throughout the world. Check with your instructor for more information.

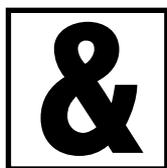

Special fees

eLearning options carry additional fees.

COMMON COURSE NUMBERING CROSSWALK

Note: This list includes common course numbering and other related course changes such as collisions and department/division prefix changes.

GRCC course numbers are changing this summer. Make sure you don't take the same class twice.

Common Course Numbering (CCN) is a new program that makes commonly shared courses among Washington community and technical colleges have the same course number and title.

Recently, faculty from Washington state community and technical colleges have met to discuss the similarities in courses, and their course content. These courses, once identified, were then given the same course numbers and titles. For those students who transfer courses from one college to another, this will make that translation for coursework much easier. These courses are

identified by an "&" within the department abbreviation. For example: PSYCH 100 now becomes PSYC& 100.

If you have taken GRCC courses with the previous numbers, your transferability will not be affected. The courses will transfer just as they would before.

If a course is not labeled as a common course, it does not mean that transferability is limited. The course will be considered as transferable using the same course content requirements as before. It is always important that you check the course descriptions at www.greenriver.edu/catalog/courses/default.aspx for all course transferability information.

GRCC renamed and renumbered 265 courses during the CCN project. Be careful that you do not take the same course twice.

Contact your advisor or visit our Web site for more information.

Learning Community: Writing And Photographing Culture, Clayoquot Sound Institute

This course consists of eight on-campus meetings and seven days (July 12-19) in the Clayoquot Biosphere, a UNESCO World Heritage Site in British Columbia, Canada. You will live in the field station at the Tofino Botanical Gardens, paddle Clayoquot Sound in traditional Nuu-Chah-Nulth dugout canoes, explore old growth forests, walk along coastal beaches with biologists and interact with the local Euro-Canadian and Nuu-Chah-Nulth First Nations communities—all the while examining them from an anthropological and historical perspective. In addition to attending performances by local poets, native storytellers, writers and photographers, you will be writing about and photographing the people and scenery of a spectacular environment. This course combines AMES, ANTH or S SCI 211 (Nuu-Chah-Nulth Indians) and ENGL& 236 or 237 (Creative Writing I and II) or PHOTO 111 (Beginning Digital Photography) for 10 credits. There is an additional program fee of \$950.00. For program application and more information, contact Cindy Card, ext. 2160 or ccard@greenriver.edu.

★ **AMES 211** **Nuu-Chah-Nulth Indians** (5)

Prerequisite: Eligible for ENGL& 101 or instructor's permission. Cross-listed with ANTH 211 and S SCI 211. Satisfies a social science requirement for AA degree. No tuition. Fee \$436.50.

Basic Education And GED Preparation

New ABE/GED students call 253-833-9111, ext. 2315 for assessment and registration appointment. **Continuing** students should talk to their Basic Skills instructor or go to RLC-125.

GED and Adult Basic Education Classes

Students who want to study for the GED test or want to improve their basic math, reading, and writing skills are encouraged to enroll in Adult Basic Education or GED classes. GRCC offers ABE and GED classes that give students the opportunity to work individually or in small groups to accomplish their specific learning goals. In these classes, GED students have the opportunity to practice the GED tests and get expert instruction and advice before taking the tests.

Registration is easy! Simply take a short placement test to assess your skills before registering. A \$25 tuition fee will be charged for any combination of BASIC classes each quarter. Tuition waivers available.

Kent, Auburn Center, and main campus students should call (253) 833-9111, ext. 2315, to schedule a time to take the assessment and register. Enumclaw students should call (253) 288-3400.

Classes are held at the following locations and times:

Main campus	8-11:30 a.m.	Monday-Thursday
	5:30-9 p.m.	Monday-Thursday

Kent Campus.....9 a.m.-12:30 p.m.Monday-Thursday

Learning Community: Writing And Photographing Culture, Clayoquot Sound Institute

This course consists of eight on-campus meetings and seven days (July 12-19) in the Clayoquot Biosphere, a UNESCO World Heritage Site in British Columbia, Canada. You will live in the field station at the Tofino Botanical Gardens, paddle Clayoquot Sound in traditional Nuu-Chah-Nulth dugout canoes, explore old growth forests, walk along coastal beaches with biologists and interact with the local Euro-Canadian and Nuu-Chah-Nulth First Nations communities—all the while examining them from an anthropological and historical perspective. In addition to attending performances by local poets, native storytellers, writers and photographers, you will be writing about and photographing the people and scenery of a spectacular environment. This course combines AMES, ANTH or S SCI 211 (Nuu-Chah-Nulth Indians) and ENGL& 236 or 237 (Creative Writing I and II) or PHOTO 111 (Beginning Digital Photography) for 10 credits. There is an additional program fee of \$950.00. For program application and more information, contact Cindy Card, ext. 2160 or ccard@greenriver.edu.

Math Resource Modules

The Math Division offers a series of two-credit modules designed to supplement MATH 062, 070, and 097. These modules by themselves do not meet the prerequisite for the next class. Students can choose one or more of the following activities:

- 1) using math videos; or

- 2) using math computer courseware; or
- 3) using supplemental printed resource material; or
- 4) participating in Math Learning Center tutoring.

You are encouraged to register for a Math Module if:

- 1) You need extra help while taking one of these courses; or
- 2) You are not taking a course yet, but you want to build specific skills before you enter a math course.

Students must attend a 50-minute orientation session in SMT-313 on 06/23/09 from 12-1p or 6-7p.

Learning Community: Writing And Photographing Culture, Clayoquot Sound Institute

This course consists of eight on-campus meetings and seven days (July 12-19) in the Clayoquot Biosphere, a UNESCO World Heritage Site in British Columbia, Canada. You will live in the field station at the Tofino Botanical Gardens, paddle Clayoquot Sound in traditional Nuu-Chah-Nulth dugout canoes, explore old growth forests, walk along coastal beaches with biologists and interact with the local Euro-Canadian and Nuu-Chah-Nulth First Nations communities—all the while examining them from an anthropological and historical perspective. In addition to attending performances by local poets, native storytellers, writers and photographers, you will be writing about and photographing the people and scenery of a spectacular environment. This course combines AMES, ANTH or S SCI 211 (Nuu-Chah-Nulth Indians) and ENGL& 236 or 237 (Creative Writing I and II) or PHOTO 111 (Beginning Digital Photography) for 10 credits. There is an additional program fee of \$950.00. For program application and more information, contact Cindy Card, ext. 2160 or ccard@greenriver.edu.

COOPERATIVE EDUCATION INTERNSHIP PROGRAM

Gives you credit while you work

Unsure about how to get experience? Changing careers or upgrading skills? Joining Co-op could help you get started on the path to a new career or first career.

The Cooperative Education Internship Program (Co-op) at Green River Community College allows GRCC students to complete elective academic credits through work experience (paid or volunteer). Students who declare a specific area of study must work or volunteer in that field. Students who are taking general studies or intend to transfer may also qualify for work experience.

Contact ext. 2550 to receive your Co-op packet and schedule an orientation.

Co-op's popular 1-credit seminar is now online. For information about the online seminar, please visit the Co-op office in the Science, Math & Technology Building (SMT-210) or call ext. 2550.

Note: Entry codes are available from the faculty advisor for each area of study.

Basic Education And GED Preparation

New ABE/GED students call 253-833-9111, ext. 2315 for assessment and registration appointment. **Continuing** students should talk to their Basic Skills instructor or go to RLC-125.

GED and Adult Basic Education Classes

Students who want to study for the GED test or want to improve their basic math, reading, and writing skills are encouraged to enroll in Adult Basic Education or GED classes. GRCC offers ABE and GED classes that give students the opportunity to work individually or in small groups to accomplish their specific learning goals. In these classes, GED students have the opportunity to practice the GED tests and get expert instruction and advice before taking the tests.

Registration is easy! Simply take a short placement test to assess your skills before registering. A \$25 tuition fee will be charged for any combination of BASIC classes each quarter. Tuition waivers available.

Kent, Auburn Center, and main campus students should call (253) 833-9111, ext. 2315, to schedule a time to take the assessment and register. Enumclaw students should call (253) 288-3400.

Classes are held at the following locations and times:

Parent-Child Education

Parent-Child Education is shared learning in early childhood for families. It provides important opportunities for parents to study their own children's development and behavior at different ages and to participate fully in that learning process.

Teachers, hired by each program, set up a sound educational curriculum for young children and establish routines and activities that promote social, physical, mental, emotional and creative growth for each child. A Parent-Child Education instructor, provided by the college, is assigned to each program and serves as an educator and resource person to the parents, the preschool teacher and the children.

Parents earn college credits each quarter for participation in the co-op program for a reduced fee per credit. An additional lab fee is paid to the preschool for the child's participation.

Opportunities are available for families with children, age birth to 5 years, at 6 locations throughout the community.

For more information, call the individual programs listed below or call the program director, Leslie Kessler, at (253) 833-9111, ext. 2729.

Learning Community: Writing for the Movies

If you love movies and have dreams of being a writer, then this learning community is perfect for you! As we study film history, exploring concepts like Classical Hollywood Style, the Studio System, the Rise and Fall and Rise Again of Hollywood, and Postmodernism in Film, we will create poems, short fiction pieces, and a screenplay in response to our shared viewing experiences, lectures, readings, and discussions. This course combines ENGL&236 – Creative Writing I and HIST 120 – History Of The Movies for 10 credits.

Library

Learning Community: Writing and Researching Green

What makes environmentalism sexy? What's in your food, and where does it come from? What if recycling doesn't save the planet? Why do corporations sponsor Earth Day? Apply the latest research tools to delve into the world of information about the environment. Critically read a range of sources in order to join ongoing conversations through your own writing. This course combines ENGL 127 – Writing: Social Sciences and LIB 110 – Library Research for 7 credits.

Math Resource Modules

The Math Division offers a series of two-credit modules designed to supplement MATH 062, 070, 072, and 097. These modules by themselves do not meet the prerequisite for the next class. Students can choose one or more of the following activities:

- 1) using math videos; or
- 2) using math computer courseware; or
- 3) using supplemental printed resource material; or
- 4) participating in Math Learning Center tutoring.

You are encouraged to register for a Math Module if:

- 1) You need extra help while taking one of these courses; or
- 2) You are not taking a course yet, but you want to build specific skills before you enter a math course.

Students must attend a 50-minute orientation session in SMT-313 on 09/22/09 from 12-1p or 6-7p.

Learning Community: Making Connections

This course will increase your success with writing and reading as you explore what it means to be a part of the college environment, how to be a successful college student, and how college can help you grow as a person. In addition, you will get to interact with many new students in an engaging, community-centered classroom. This course combines ENGL 081 – Fundamentals of Written Communication and READ 094 – Reading Improvement for 10 credits.
